CERTIFICATE OF AUDITORS

We have examined the books and accounts of the J. C. Penney Company for the purpose of verifying the assets and liabilities as at December 31, 1922. We have made a test check of the physical existence of the merchandise stock at a sufficient number of the Company's stores to satisfy ourselves as to the correctness of the inventories; we have also made adequate tests to satisfy ourselves that the basis of valuation is at cost or market, whichever is lower.

We hereby certify that, in our opinion, the foregoing Balance Sheet, which is in agreement with the books, correctly sets forth the financial position of the Company at December 31, 1922.
